

*Curriculum Vitae of*  
**Brian K. Wise, M.D., MPH**

---

---

**HIGHLIGHTS:**

*Education:*

- B.S. and B.A. in college where he triple-majored in Psychology, English and Philosophy
- Graduate School – Medical Ethics – Vanderbilt University - Nashville
- Graduate School – Epidemiology/Public Health – Columbia University – NYC
- Medical School – South Carolina
- Psychiatry Training – Child/Adolescent and Adult – University of Colorado Health Sciences Center
- Awarded four research fellowships and workshops
- Clinical and Research experience across a variety of areas including substance abuse, suicide, epidemiology, psycho-oncology, cross-cultural psychiatry, juvenile justice, maternal mental health, and abused/traumatized children.

*Publications:*

- Published numerous articles, book chapters and books as well as appointed to task forces sponsored by American Academy of Child and Adolescent Psychiatry, NIMH, and Zero To Three organizations.
- Presented extensively across the nation as well as internationally (e.g. Melbourne and Paris)
- Revised the *Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood* – The foremost developmentally-sensitive mental health classification system used world-wide
- Widely recognized as a national leader in early childhood mental health – diagnosis, therapy and psychopharmacology – as well as perinatal and postpartum maternal mental health

*Positions:*

- Consulting Editor to *Infant Mental Health Journal*; invited Editor for *Journal of Pediatric Psychology*
- Invited to write expert columns on ADHD and Child/Adolescent Psychiatry for *Medscape*
- On the Infant and Preschool Committee of the American Academy of Child and Adolescent Psychiatry
- Senior Council Board Member – Colorado Child and Adolescent Psychiatric Society
- Interviewed by such publications as PBS's *Frontline* and *People* magazine as an expert in child psychiatry

*Current Work:*

- Preschool Psychopharmacology – Currently co-authoring soon to be the first ever guidelines on how to, and more importantly how NOT to, medicate young children
- Perinatal Mental Health Issues – Diagnosis, Therapy and Access to Care
- Development and Implementation of a Mental Health Initiative in the Nurse Family Partnership – a nurse home visiting program for first time pregnant mothers currently serving 13,000 families annually
- Development of a collaborative model between Child Psychiatry and Pediatric/Primary Care Practices
- Consultant to developmental behavioral pediatricians at Johns Hopkins on the formation of a web-based interactive child/adolescent/maternal mental health assessment and treatment system that has equal psychometrics to the CBCL and DICA.

*Clinical Work and Philosophy:*

- Implementing Evidence-Based practice including the use of standardized instruments and manualized psychotherapy modules for a variety of disorders in his positions as Medical Director of The NeuroAssessment Centre, LLC in Colorado Springs and President of Wise Psychiatry, PC in Denver.

**Education:**

University of Colorado Health Sciences Center; Denver, CO  
Developmental Psychobiology Research Group Research Fellowship – July 1 2005 – July 1, 2007

University of Colorado Health Sciences Center; Denver, CO  
Child and Adolescent Psychiatry Fellowship – July 1, 2003 – June 30, 2005

University of Colorado Health Sciences Center; Denver, CO  
General Adult Psychiatry Residency – July 1, 2001 – June 30, 2003

University of Colorado Health Sciences Center; Denver, CO  
Internship – June 23, 2000 – June 22, 2001

University of South Carolina School of Medicine; Columbia, SC  
M.D.; May 2000.

Columbia University School of Public Health; New York City, NY  
Master's of Public Health in Epidemiology;  
1993-1995; Degree awarded – October 2000  
Emphasis: Psychiatric Epidemiology  
Thesis: Stressful Life Events and Family Functioning as Moderating Factors of  
Psychopathology within a Sample of Suicidal Female Adolescents

Vanderbilt University; Nashville, TN  
Graduate Studies in Philosophy Department  
Emphasis: Medical Ethics and Continental Philosophy  
1991-1993

Wofford College; Spartanburg, SC  
B.S. in Psychology  
B.A. in both English and in Philosophy  
*Cum Laude*; May 1991

**Fellowships:**

University of Colorado Health Sciences Center; Denver, CO  
Developmental Psychobiology Research Group Research Fellowship – July 2005 – Current  
Working with David Olds, PhD on his Nurse Family Partnership clinical trials.

ZERO TO THREE Leadership Development Initiative. Zero To Three Organization; Washington, DC  
Solnit Fellow May, 2005 – December, 2006.

### **Awarded Fellowships:**

Career Development Institute for Psychiatry – Pittsburgh, PA – Hosted by University of Pittsburgh and Western Psychiatric Institute. April 8<sup>th</sup> – 11<sup>th</sup>, 2006.

CDI (Career Development Institute) for Psychiatry is a practicum on launching and maintaining a career in mental health research. Jointly sponsored by Western Psychiatric Institute and Stanford University and funded in part by a grant from the National Institutes of Health (MH069748). Directed by David J. Kupfer, M.D. and Alan F. Schatzberg, M.D.

Child Intervention, Prevention & Services – Los Angeles, CA – Hosted by University of California at Los Angeles. June 5<sup>th</sup> – 9<sup>th</sup>, 2006.

CHIPS (Child Intervention, Prevention & Services), is an NIMH funded (MH68367), five-year, 6-site, interdisciplinary training consortium for mental health research. CHIPS provide career enhancement and direction to early career scientists who are postdoctoral fellows or junior faculty through an annual 5-day intensive Summer Research Institute, and the development of consultative and mentoring relationships with institute faculty supported by R-25's.

Johnson, NP, Wise, BK, and Smith, JT. Family dynamics, adolescent suicide attempts and drug use in group homes for children, Association for Medical Education and Research in Substance Abuse; Reston, VA; November 1996.

**Clinical Work: (Current in bold)**

**Wise Psychiatry, PC. Denver and Colorado Springs, CO – President (Feb 07 – Current)  
Private Practice – Toddler, Child, Adolescent and Adult  
Consultation to Pediatric Practices, Primary Care Settings, Schools, and Preschools.**

**NeuroAssessment Centre, LLC. Colorado Springs, CO – Medical Director (Aug 05 – Current)  
Private Practice – Toddler, Child, Adolescent and Adult – Mix of Psychotherapy and Medication Management; Co-Located with a team of Psychologists; Emphasis on ADHD, Mood Disorders, but Full Range of Diagnoses is seen and treated.**

**Flatiron Academy, Lafayette, CO – Medical Director (Nov 06 – Current)  
School-Based Day Treatment Program for children in K-12 who have a mix of behavioral and emotional problems as well as learning disorders. Serves multiple counties in Colorado.**

**Mental Health Center of Denver, Denver, CO – Child Psychiatrist (Jul 05 – Current)  
Community Mental Health Center – Working with therapists to primarily provide medication management for a community mental health population**

Wellshire Behavior Services, Denver, CO – Child Psychiatrist (Feb 06 – Feb 07)  
Private Practice – Managed Care Population

Regional Medical Examiners, Denver, CO – (Sep 04 - Feb 06)  
Performed Social Security Disability Evaluations – Child, Adolescent and Adult

Community Reach Center, Thornton, CO (Jan 04 – Jun 05)  
Community Mental Health Center – Child/Adolescent Psychiatrist for Square One – the  
School-Based Day Treatment Center

Denver Health Medical Center, Psychiatric Emergency Room, Denver, CO – Attending  
Psychiatrist (Apr 03 – Apr 04)  
In charge of a 6-bed psychiatric emergency room. Evaluate, Treat and Discharge Plan for  
adolescents and adults admitted to the emergency room.

Kempe Center – Therapeutic Preschool for Abused Children – Child Psychiatrist; Denver, CO  
(Jul 04 – Jun 05)  
Treat children between ages of 3 – 6 years old who have been abused.

### **Committees:**

Invited to join the Task Force on Preschool Psychopharmacology, sponsored by the American Academy of  
Child and Adolescent Psychiatry and led by Charles H. Zeanah and Mary Margaret Gleason. Task Force Members:  
Larry Greenhill, Robert Kowatch, Graham Emslie, Joan Luby, Helen Egger, Michael Scheeringa, and Brian  
Stafford. (May 28, 2006 – current).

Senior Council Member - Colorado Child and Adolescent Psychiatric Society; (Jan 2007 – Jan 2008).

Junior Council Member - Colorado Child and Adolescent Psychiatric Society; (Jan 2006 – Jan 2007).

Selected by the American Academy of Child and Adolescent Psychiatry to serve on the Infants and  
Preschool Committee. (Dec 2004 – Oct 2007).

Invited to join a group sponsored by the National Institute of Mental Health, led by Dr. Anne Riley,  
charged with Conceptualization and Measurement of Child and Adolescent Functioning. (Dec 2004 – Oct 2005).

Selected by Zero to Three organization to be a member of the task force headed by Dr. Robert N. Emde to  
revise the Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood  
(DC: 0-3). (Jan 2003 – Aug 2005).

### **Reviewer:**

Serving currently as a consulting editor for *Infant Mental Health Journal*.

### **Awards:**

Nominated by the Colorado Psychiatric Society for position of Member-in-Training Trustee-Elect on the  
American Psychiatric Association Board of Trustees; August 2002.

Outstanding Resident Teacher Appreciation Award from the medical students of UCHSC – June 2002.

Awarded Research Track – University of Colorado Department of Psychiatry; July 2002 – December 2002.

Scholarship from the American Academy of Addiction Psychiatry – Annual Conference, Amelia Island, FL; December 1998.

One of three national recipients of scholarships awarded annually to medical students demonstrating excellence in addiction research.

Second place for Papers from New Researchers – South Carolina Public Health Association – Awarded at their Annual Meeting, 1999.

### **Research Experience:**

Researcher – University of Colorado Health Sciences Center; Denver, CO  
Prevention Research Center for Family and Child Health

Mentor: Dr. David Olds

Working on multiple projects involving the dataset from the nurse home visit study. The majority of these projects involve the implementation of maternal and infant mental health assessment and treatment into his nurse home visit study.

Researcher – University of Colorado Health Sciences Center; Denver, CO

Mentors: Dr. Robert N. Emde, Dr. Robert Harmon, and Dr. Karen Frankel

Working on a dataset from the UCHSC Infant Mental Health Clinic examining:

- 1) Use of Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood (DC: 0-3)
- 2) Cluster analysis of presenting symptoms and relation to DSM-IV and DC: 0-3 Diagnoses
- 3) Infant traumatology.

Epidemiologist/Statistician -- William S. Hall Psychiatric Institute; Columbia, SC

Mentor: Dr. Steven P. Cuffe

Worked on two studies examining: 1) dual diagnosis and factors influencing adolescents' successful completion of a substance abuse treatment program and 2) service utilization and treatment patterns in a sexually abused adolescent population.

Epidemiologist/Statistician -- University of South Carolina School of Medicine; Office of Drug & Alcohol Studies; Columbia, SC

Mentor: Dr. N. Pete Johnson

Worked on multiple studies examining risk factors and life stressors of various groups who abuse alcohol and other drugs.

Epidemiologist/Statistician -- University of South Carolina School of Public Health; Columbia, SC

Mentor: Dr. Sandra Glover

Worked on studies examining cross-cultural psychiatric symptomatology in the Rio Grande Valley region of Texas.

Epidemiologist/Statistician -- William S. Hall Psychiatric Institute; Columbia, SC

Mentor: Dr. Andres Pumariega

Worked on several studies examining psychopathology in adolescents in the Department of Juvenile Justice.

Apprenticeship via the Neuropsychiatry and Behavioral Sciences Department of the University of South Carolina School of Medicine; Columbia, SC

Mentor: Dr. Lisa Bryant

Worked with Dr. Lisa Bryant as part of the Psychosocial Support and Treatment Staff for the Bone Marrow Transplantation Division of the Center for Cancer Treatment and Research.

Research Assistant -- New York State Psychiatric Institute in coordination with Columbia University;  
New York City, NY

Mentor: Dr. John Piacentini

Worked on a study examining intervention, counseling and treatment for suicidal adolescents. This study served as the basis for my master's thesis under the review of Dr. Madelyn Gould and Dr. John Piacentini.

Research Assistant -- New York State Psychiatric Institute in coordination with Columbia University;  
New York City, NY

Mentors: Dr. Christina Hoven and Dr. Pat Cohen

Worked with Dr. Christina Hoven and Dr. Pat Cohen on a study examining adolescent psychopathology and barriers to treatment in Westchester County, NY.

Epidemiologist/Program Reviewer -- New York City Department of Health; Division of Maternity  
Health and Family Planning; New York City, NY

Worked with Dr. Kenneth Rosenberg helping to review a 5-year nationally sponsored all-encompassing treatment and rehabilitation program for women pregnant and addicted to heroin and/or cocaine.

### **Extracurricular Activities/Committees during Residency:**

Served as Co-Member-in-Training Representative for the Colorado Psychiatric Society as PGY-3

Co-facilitate "Social Skills and Relationships" Group Therapy – PGY-3 (with Dr. Kristin Brousseau)

Served on the Residency Education Committee as PGY-2 and PGY-3 Representative

Attended Post-Doctoral Seminar on Infant Affect -- Instructed by Dr. Robert Emde as PGY-2  
through the present time.

Taught classes to the PGY-1 class – "On-Call Issues" as PGY-2 & PGY-3

Co-founding member of Psychoanalytic Book Club – as PGY-2 & PGY-3

Served on the Residency Selection Committee as a PGY-2

Served on the Residency Call Committee as a PGY-2

Served on the Intern Education Curriculum Committee as a PGY-2

Co-developed & co-facilitated (with Dr. Robert Emde & Dr. Doug Emch) PTSD seminar as PGY-2

### **Extracurricular Activities during Medical School:**

Co-founding editor of *The Colophon – The Literary Journal of the Health Sciences of the  
University of South Carolina School of Medicine*. 2000.

Secretary/Treasurer of American Medical Student Association; 1997-1998.

Helped organize the first-ever Residency fair at University of South Carolina School of Medicine

Co-Chairperson of Social Committee, Medical Student Association, 1996.

**Organizational Memberships:**

Current Member of: Colorado Psychiatric Society  
Colorado Child and Adolescent Psychiatric Society  
American Psychiatry Association  
American Academy of Child and Adolescent Psychiatry  
Society for Research in Child Development  
World Association for Infant Mental Health

**Hobbies:**

Travel – especially Foreign Countries  
Reading Literature and Philosophy  
Enjoying various forms of the Arts – most notably the Theatre, Museums, and Films  
Outdoor Activities and Sports including Skiing, Snowboarding, Tennis, Golf, and Hiking.
